

9 March 2023

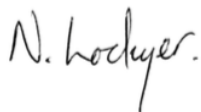

Dear parents and carers of children at St Charles’,

### **A new chapter for St Charles’**

I hope you are well. I am writing to share the wonderful news with you that Mrs Knight has been appointed as permanent Headteacher at St Charles’. As you know, since Mrs Elmore moved to work across our Trust in support of many of our primary schools, Mrs Knight has done a wonderful job of leading the school and, of course, successfully steering it through the recent Ofsted inspection. I know that many of you have known Mrs Knight for many years, and you will be very aware of how dedicated, hardworking and determined she is. The other panel members and I were hugely impressed by her passion for the school, her ambition for the life chances of every child, and her deep sense of care for both the pupils and the staff.

I am sure you will join me in wishing Mrs Knight a long, happy and successful career as Headteacher at St Charles’.

With best wishes,

Neil Lockyer  
Chief Executive Officer
